Member,

Welcome to Northern York County Game and Fish Association, Inc.

I would just like to remind you that even though you just joined us, our calendar year for membership runs January 1 – December 31. You will need to renew your membership for the upcoming year by January 31st or you need to start over again with the full fee.

Renewal applications should be on the website by November 30th. We are designing a more permanent card which will have your name on it.

The card you will be receiving has a 4 digit code on the lower corner - that is the key code that you will need to enter to gain access to the clubhouse. The code will need to be entered as follows ex. 0000*

Every year the key code will change every year.

Thank you for joining us.
